Topic – Phishing

Person 01

- Got an email from my bank... looked real, but felt odd.

Person 02

- That's phishing! One click can steal your info or money.

Person 01

- Good thing I didn't click.

Person 02

- Always verify links, and stay alert—because cybersecurity starts with you.

Person 01

- Got it.
- Staying alert is my best defense.
- Brought to you by Canara Bank for Cyber Security Awareness Month.
