

BEWARE OF FAKE SOCIAL MEDIA BANK PAGES

Scammers create fake social media handles impersonating as genuine Bank Channels and post attractive social advertisements offering loans, reward points, free credit card, pension cards, or exclusive benefits. The goal is to steal your personal information, financial details or money by various social engineering techniques.

HOW THEY TRICK YOU

Fake Bank Page/Ads/Posts/Channels

A fake social media page/channel impersonates a trusted bank.

Irresistible Offer

Posts advertise loans, pension cards, rewards, or cashback etc.

Data Collection

Victims are asked to enter personal, banking, or OTP details.

HOW TO STAY SAFE

1

Verify Before Trust

Check the bank's official website, app & social media handles.

2

Protect Your Credentials

Never share OTP, PIN, password or CVV.

3

Avoid Unknown Links

Ignore links on social media posts or messages.

4

Use Official Apps

Apply all your requirements only through official bank channels.
