

LOTTERY & REWARD POINT REDEMPTION SCAMS

Too good to be true?
Scammers lure you with fake rewards to
steal your money and data.

HOW THEY TRICK YOU

You receive SMS, calls or messages about 'winning a lottery' or 'redeeming reward points'.

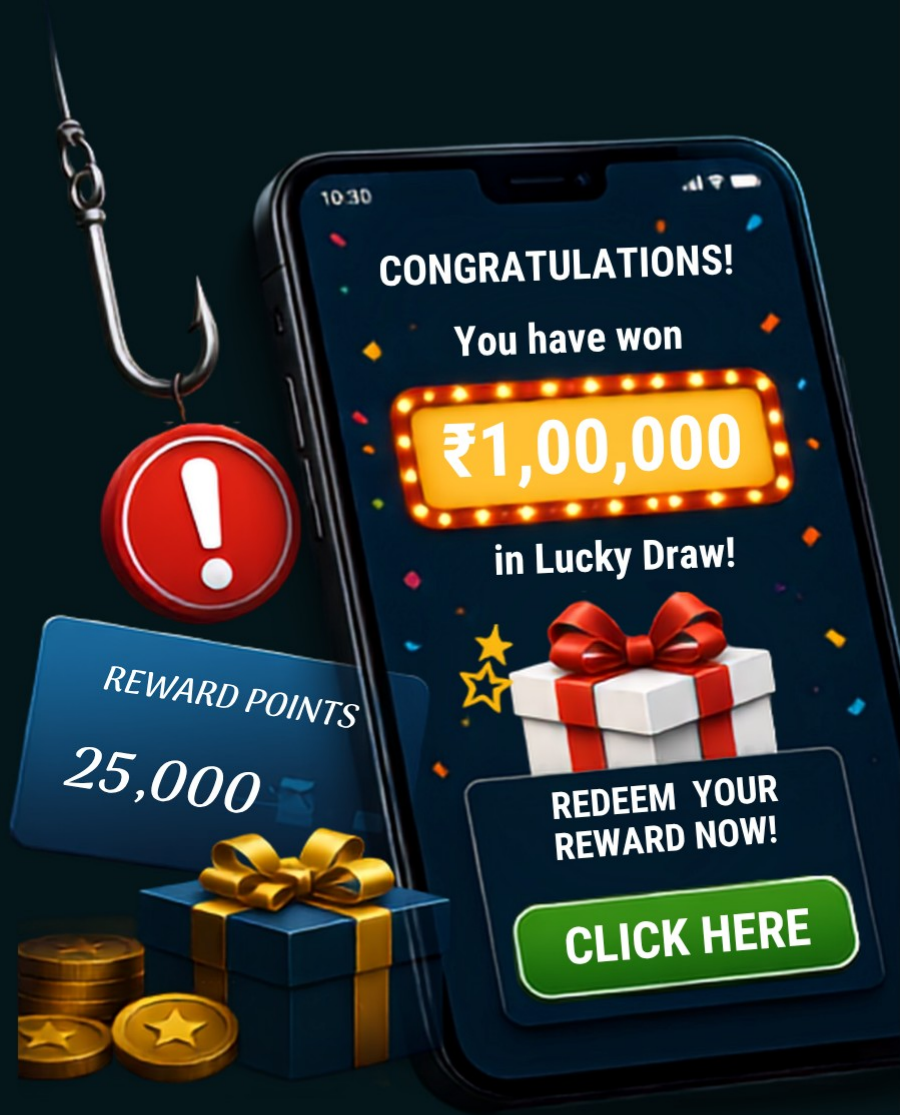

They promise exciting prizes, cashbacks or exclusive offers.

You are asked to pay a "processing fee", share personal details or click on a link.

They steal your money, misuse your data or gain access to your accounts.

HOW TO STAY SAFE

Ignore unexpected messages or calls

about lottery wins or reward redemptions.

Never pay to claim a prize.

Genuine rewards don't ask for money.

Never share personal details

OTP, PIN or passwords with anyone.
