Dear Sir,

Re : ICRA Credit Rating for the Rs. 2,400 crore Basel III compliant Tier II bonds of Canara Bank

Please refer to your Rating Requisition dated December 09, 2015 and the subsequent Rating Agreement of December 09, 2015 for carrying out the rating of the aforesaid Bond Programme. The Rating Committee of ICRA, after due consideration, has assigned the "[ICRA]AAA(hyb)" (pronounced ICRA Triple A hybrid) rating with **Stable Outlook** to the captioned bond programme. Instruments with [ICRA]AAA are considered to have the highest degree of safety regarding timely servicing of financial obligations. Such instruments carry lowest credit risk. The letters "hyb" in parenthesis suffixed to a rating symbol stand for "hybrid", indicating that the rated instrument is a hybrid subordinated instrument with equity-like loss-absorption features; such features may translate into higher levels of rating transition and loss-severity vis-à-vis conventional debt instruments.

In any of your publicity material or other documents wherever you are using our above rating, it should be stated as "[ICRA]AAA(hyb)" with **Stable Outlook**. We would appreciate if you can sign on the duplicate copy of this letter and send it to us within 7 days from the date of this letter as a token of your acceptance and use of the assigned rating. The rationale for assigning the above rating will be sent to you on receipt of your confirmation about the use of our rating, as above. Any intimation by you about the above rating to any Banker/Lending Agency/Government Authorities/Stock Exchange would constitute use of this rating by you.

This rating is specific to the terms and conditions of the proposed issue as was indicated to us by you and any change in the terms or size of the issue would require the rating to be reviewed by us. If there is any change in the terms and conditions or size of the instrument rated, as above, the same must be brought to our notice before the issue of the instrument. If there is any such change after the rating is assigned by us and confirmed to use by you, it would be subject to our review and may result in change in the rating assigned.

ICRA reserves the right to suspend, withdraw or revise the above at any time on the basis of new information or unavailability of information or such other circumstances, which ICRA believes, may have an impact on the rating assigned to you.

The rating, as aforesaid, however, should not be treated as a recommendation to buy, sell or hold the bonds to be issued by you. If the instrument rated, as above, is not issued by you within a period of 3 months from the date of this letter communicating the rating, the same would stand withdrawn unless revalidated before the expiry of 3 months.

Dear Sir,

**Re: Rating of Canara Bank's INR24bn Basel III compliant Tier 2 Bonds**

India Ratings has assigned 'IND AAA', Outlook Stable to Canara Bank's upto INR24bn Basel III compliant Tier 2 bonds, to be issued as per the key terms indicated by the bank (Annexure-1).

India Ratings also communicates the following outstanding ratings:

- Long-Term Issuer Rating: 'IND AAA'; Outlook Stable

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The

Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. **Annexure -1: Terms for Basel III compliant Tier 2 Bonds**

- **Subordination** - The claims of the Bondholders shall be: (a) senior to the claims of investors in instruments eligible for inclusion in Tier I Capital of the Bank; (b) subordinate to the claims of all depositors and general creditors of the Bank; and (c) neither secured nor covered by a guarantee of the Bank or related entity or other arrangement that legally or economically enhances the seniority of the claim vis-à-vis creditors of the Bank.
- **Loss absorbency** - The Bonds shall be subjected to loss absorbency features applicable for non-equity capital instruments vide RBI Master Circular No. DBR.No.BP.BC.1/21.06.201/2015-16 dated July 01, 2015 on Basel III capital regulations covering criteria for inclusion of debt capital instruments as Tier II capital (Annex 5) and minimum requirements to ensure loss absorbency of additional Tier I instruments at pre-specified trigger and of all non-equity regulatory capital instruments at the Point of Non-viability ("PONV") (Annex 16). Accordingly, the Bonds at the option of RBI, shall be permanently written off on the occurrence of the trigger event called the Point of Non Viability (PONV).
- **Convertibility** - Non-convertible
- **Point of non-viability:** The PONV Trigger event shall be the earlier of: a) a decision that the permanent write off, without which the Bank would become nonviable, is necessary, as determined by the Reserve Bank of India; and b) the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have become non-viable, as determined by the relevant authority. Such a decision would invariably imply that the write-off consequent upon the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted.
- **Issuer Call option** - Non-callable
- **Treatment in the event of Winding-Up, Amalgamation, Acquisition, Re Constitution etc. of the Bank:** If a bank goes into liquidation before the Bonds have been permanently written-off, these instruments will absorb losses in accordance with the order of seniority indicated in the offer document and as per usual legal provisions governing priority of charges. If a bank goes into liquidation after the Bonds have been permanently written-off, the holders of these instruments will have no claim on the proceeds of liquidation. If a bank is amalgamated with any other bank before the Bonds have been permanently written-off, the Bonds will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger. If a bank is amalgamated with any other bank after the Bonds have been written-off permanently, these cannot be written-up by the amalgamated entity.  
If the relevant authorities decide to reconstitute a bank or amalgamate a bank with any other bank under the Section 45 of BR Act, 1949, such a bank will be deemed as non-viable or approaching non-viability and both the pre-specified trigger and the trigger at the point of non-viability for write-off of the Bonds will be activated. Accordingly, the Bonds will be fully written-off permanently before amalgamation / reconstitution in accordance with these rules. The Order of write-off of the present Tier II Bonds vis-à-vis other capital instruments which the Bank has already issued or may issue in future, will be in accordance with the order of "Seniority of the instruments" as mentioned earlier in the offer document and per usual legal provisions governing priority of charges.
