If there is any change in the terms and conditions or size of the instrument rated, as above, the same must be brought to our notice before the issue of the instrument. If there is any such change after the rating is assigned by us and confirmed to use by you, it would be subject to our review and may result in change in the rating assigned.

ICRA reserves the right to suspend, withdraw or revise the above at any time on the basis of new information or unavailability of information or such other circumstances, which ICRA believes, may have an impact on the rating assigned to you.

Annexure -1: Terms for Basel III compliant Tier 2 Bonds

- **Subordination** - The claims of the Bondholders shall be: (a) senior to the claims of investors in instruments eligible for inclusion in Tier I Capital of the Bank; (b) subordinate to the claims of all depositors and general creditors of the Bank; and (c) neither secured nor covered by a guarantee of the Bank or related entity or other arrangement that legally or economically enhances the seniority of the claim vis-à-vis creditors of the Bank.
- **Loss absorbency** – The Bonds shall be subjected to loss absorbency features applicable for non-equity capital instruments vide RBI Master Circular No. DBR.No.BP.BC.1/21.06.201/2013-16 dated July 01, 2015 on Basel III capital regulations covering criteria for inclusion of debt capital instruments as Tier II capital (Annex 5) and minimum requirements to ensure loss absorbency of additional Tier I instruments at pre-specified trigger and of all non-equity regulatory capital instruments at the Point of Non-viability ("PONV") (Annex 16). Accordingly, the Bonds at the option of RBI, shall be permanently written off on the occurrence of the trigger event called the Point of Non Viability (PONV).
- **Convertibility** – Non-convertible
- **Point of non-viability:** The PONV Trigger event shall be the earlier of: a) a decision that the permanent write off, without which the Bank would become nonviable, is necessary, as determined by the Reserve Bank of India; and b) the decision to make a public sector injection of capital, or equivalent support, without which the Bank would have become non-viable, as determined by the relevant authority. Such a decision would invariably imply that the write-off consequent upon the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted.
- **Issuer Call option** – Non-callable
- **Treatment in the event of Winding-Up, Amalgamation, Acquisition, Re Constitution etc. of the Bank:** If a bank goes into liquidation before the Bonds have been permanently written-off, these instruments will absorb losses in accordance with the order of seniority indicated in the offer document and as per usual legal provisions governing priority of charges. If a bank goes into liquidation after the Bonds have been permanently written-off, the holders of these instruments will have no claim on the proceeds of liquidation. If a bank is amalgamated with any other bank before the Bonds have been permanently written-off, the Bonds will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger. If a bank is amalgamated with any other bank after the Bonds have been written-off permanently, these cannot be written-up by the amalgamated entity.
If the relevant authorities decide to reconstitute a bank or amalgamate a bank with any other bank under the Section 45 of BR Act, 1949, such a bank will be deemed as non-viable or approaching non-viability and both the pre-specified trigger and the trigger at the point of non-viability for write-off of the Bonds will be activated. Accordingly, the Bonds will be fully written-off permanently before amalgamation / reconstitution in accordance with these rules. The Order of write-off of the present Tier II Bonds vis-à-vis other capital instruments which the Bank has already issued or may issue in future, will be in accordance with the order of "Seniority of the instruments" as mentioned earlier in the offer document and per usual legal provisions governing priority of charges.
