FCNR FACTS

FCNR ₹ Deposit Plus Scheme

BENEFITS

SPECIAL FEATURES

- NRI who wish to avail higher return on FCNR deposit.
- Decent returns, depending on premium quoted on forward contract.

COMPARISON WITH NRE TD

The information is generic in nature and is for illustration purpose only. Please contact our Branch/NRI Cell to confirm the yield/premium before actual placement of funds.

All FCNR accounts under this product are covered by Forward Contract. Forward Contract is booked on the date of opening the Deposit account. As per the prevailing system, the FCNR deposit receipt will have the maturity value expressed in USD. The maturity value expressed in USD should be converted into Indian Rupees at the rate at which the Forward Contract is Booked.

BENEFITS & RISKS

The objective of this mechanism is to safeguard the customer from any probable adverse movements or fluctuations in rates of exchange at a later date. At the same time, even if the rate moves favorably (at the future date) the customer is bound to settle the underlying transaction at the contracted rate. In other words, by booking a forward contract, the customer has the obligation to acquire or dispose off the foreign currency on a future date at the predetermined exchange rate.
