

PENSION SAVINGS SCAM

Retirement savings are often targeted by fraudsters posing as bank officials offering special pension investment schemes

Red Flags to Watch Out For

- Unsolicited calls about pension schemes
- Promises of guaranteed high returns
- Requests for OTP or pension details
- Creating urgency for investment

Simple checks to keep your pension savings safe

1

Verify offers through official bank or pension channels

2

Never share OTP, PIN, or pension details

3

Avoid unknown links or unofficial apps

4

Verify the scheme before making any payment

5

Decline unsolicited pension investment calls
