

ANDROID GOD MODE MALWARE ALERT

An advanced Android malware known as "Android God Mode" is targeting users by disguising itself as trusted apps like banking, RTO challan, and customer support services. Once installed, it misuses Accessibility permissions to silently take control of your device—stealing sensitive data, financial details & even monitoring your activities without your knowledge.

"Ensure Authenticity Before Granting Access / Installing Applications."

HOW CAN YOU BE SAFE

- ✓ Install apps only from the official Google Play Store or trusted sources
- ✓ Do not grant Accessibility permissions to any unknown or suspicious apps
- ✓ Be cautious of apps received via links, WhatsApp, or APK files
- ✓ Never share OTP, PIN , Confidential data & bank details

"If suspicious, report the incident immediately to 1930 or www.cybercrime.gov.in"
